

# DeVry University

The mission of DeVry University is to foster student learning through high-quality, career-oriented undergraduate and graduate programs in technology, business and management. The university delivers its programs at campuses, centers and online. DeVry University includes 23 campuses, 49 adult learning centers and DeVry University Online. DeVry University's graduate programs are offered through its Keller Graduate School of Management. DeVry University operates eleven locations in the greater Chicago area. Not all programs are offered at all locations.

**Main Campus:** 18624 West Creek Drive, Tinley Park, IL 60477

**Addison Campus:** 1221 North Swift Road, Addison, IL 60101

**Chicago Campus:** 3300 North Campbell Avenue, Chicago, IL 60618

**Extension sites:** Chicago, O'Hare, Elgin, Gurnee, Lincolnshire, Naperville, Oak Brook, and Schaumburg, Illinois; as well as Merrillville, Indiana.

## The DeVry University Advantage

**Build your professional foundation with a high-quality, technology-grounded education designed for your success.**

- Gain knowledge at a university that promotes teaching excellence and regularly updates programs with input from business and industry leaders.
- Interact and collaborate with a faculty whose main focus is teaching.

### **Experience career-oriented education.**

- Learn in an application-based environment from faculty with business and industry expertise.
- Benefit from learning by doing methodology, and develop skills and competencies that apply directly to the workplace.

### **Enhance your future with accessible education.**

- Take classes year-round. Full-time students can complete a bachelor's degree in as little as three years. Part-time students can graduate in just five years.
- Continue learning throughout your lifetime. If you earn your bachelor's degree from DeVry University, you can continue for your master's degree at the Keller School of Management, and complete the degree in a little over one year.

### **Experience student-focused education.**

- Take advantage of a wide variety of student services.
- Faculty and staff support you from application to graduation.
- Get assistance with resume preparation, skills enhancement and interviewing techniques from devoted career service professionals.
- Access to a nationwide employer database for potential career opportunities.
